**WOF = Width of Fabric**

**Notes:** Template on page 9

- Trace the Center template onto template plastic and cut on the outside lines. To cut fabric Center pieces, place the template right side up, on the right side of a single layer of fabric. Trace around the template and then cut out. The fabric pieces will have bias edges so handle with care.

- Label pieces with the fabric letter as they are cut.

Instructions

All seam allowances are ⅛" (.64cm) and pieces are sewn right sides together. Press seam allowances as indicated in diagrams. This pattern assumes a basic knowledge of foundation piecing.

1. Using a preferred method of paper piecing, piece (48) Right foundations using the foundation pattern on page 7 in the fabric combinations shown in Fig. 1, following the numerical order and fabric sizes on the paper foundation. Trim each block, cutting on the outside line of each paper.

2. Repeat Step 1 to piece the (48) Left foundations using the foundation pattern on page 8 in the fabric combinations shown in Fig. 2.

3. Sew a Fabric L Center between (1) Left 1 and (1) Right 1 pieced foundation (Fig. 3). Repeat to make a total of (12) of Quadrant 1.

4. Sew a Fabric K Center between (1) Left 2 and (1) Right 2 pieced foundation (Fig. 4). Repeat to make a total of (12) of Quadrant 2.

5. Sew a Fabric L Center between (1) Left 3 and (1) Right 3 pieced foundation (Fig. 5). Repeat to make a total of (12) of Quadrant 3.

6. Sew a Fabric K Center between (1) Left 4 and (1) Right 4 pieced foundation (Fig. 6). Repeat to make a total of (12) of Quadrant 4.

7. Lay out (1) of each Quadrants 1-4 as shown in Fig. 7. Sew the Quadrants together in pairs, making sure the long diagonal edge is straight. Sew the pairs together to complete (1) Block (17½" (44.45cm) square, including seam allowances). Carefully remove the paper foundations. Repeat to make a total of (12) Blocks.
Quilt Top Assembly

Note: Follow the Quilt Layout diagram on page 5 for block orientation and fabric placement when assembling the quilt.

8. Arrange the Blocks into (4) Rows of (3) Blocks each, rotating as needed. Sew the Blocks into Rows, pressing the seam allowances in alternate rows in opposite directions.

9. Sew the Rows together, nesting seam allowances, to complete the Quilt Center (51½" x 68½" (130.81cm x 173.99cm)).

10. Sew together (2) Fabric N Border strips, end-to-end into a long strip. Repeat to make a second strip. Cut (2) 4½" x 68½" (11.43cm x 173.99cm) side border strips.

11. Sew a Fabric N side border strip to the left and right edges of the Quilt Center. Press the seam allowances towards the border.

12. Sew together (3) Fabric N Border strips, end-to-end. Cut (2) 4½" x 59½" (11.43cm x 151.13cm) top/bottom border strips.

13. Sew a Fabric N top/bottom border strip to the top and bottom edges of the Quilt Center to complete the Quilt Top (59½" x 76½" (151.13cm x 194.31cm)).

Finishing

14. Sew together the (8) 2½" (6.35cm) Fabric N binding strips end-to-end using diagonal seams. Press seams open. Press the binding strip in half wrong sides together.

15. Layer backing (wrong side up), batting, and quilt top (right side up). Baste the layers together and quilt as desired. Trim excess batting and backing even with the top after quilting is completed.

16. Leaving an 8" (20.32cm) tail of binding, sew the binding to the top of the quilt through all layers matching all raw edges. Miter corners. Stop approximately 12" (30.48cm) from where you started. Lay both loose ends of binding flat along quilt edge. Where the loose ends meet, fold them back on themselves and press to form a crease. Using this crease as your stitching line, sew the two open ends of the binding right sides together. Trim seam to ¼" (.64cm) and press open. Finish sewing binding to quilt.

17. Turn the binding to the back of quilt and machine/hand-stitch in place.
