INSTRUCTIONS

All seam allowances are $\frac{1}{4}$ ". Press after each seam, in the direction of the arrows or towards the darker fabric.

- 1 Arrange the (4) fussy-cut **Fabric A** $13\frac{1}{2}$ " x $13\frac{1}{2}$ " squares, (2) **Fabric A** $1\frac{1}{2}$ " x $13\frac{1}{2}$ " sashing strips, and (1) **Fabric A** $1\frac{1}{2}$ " x $27\frac{1}{2}$ " long sashing strip together as shown, noting motif placement and keeping all motifs right-reading.
- 2 Sew together in columns, then join the columns with the long sashing strip to complete the quilt center ($27\frac{1}{2}$ " x $27\frac{1}{2}$ " including seam allowances).

Figure 1

- 3** Sew together all the **Fabric B** $1\frac{1}{2}$ " x WOF strips end to end with straight seams and press the seam allowances open. Repeat with the **Fabric C, D, E,** and **G** WOF strips.
- 4** If you are confident in your accurate $\frac{1}{4}$ " seam allowance, you can cut all the border strips to the needed lengths now. If not, cut each set of border strips when you are ready to add them, after measuring the quilt top vertically and then horizontally through the center, adjusting your cut sizes as needed. If cutting all borders in advance, cut the longer borders first, and label each as you cut them with the border number.

Fabric B

Border 11: (2) each $1\frac{1}{2}$ " x $74\frac{1}{2}$ ", $1\frac{1}{2}$ " x $72\frac{1}{2}$ "

- 5** Pin, matching ends and centers, then sew the **Fabric A** $1\frac{1}{2}" \times 27\frac{1}{2}"$ Border 1 strips to the quilt center. Press towards **Fabric A**, then repeat to add the **Fabric G** $1\frac{1}{2}" \times 29\frac{1}{2}"$ Border 1 strips to the top and bottom and press towards **Fabric G**.

Figure 2

- 6** Referring to the **Quilt Layout** diagram (p. 8) and the list in step 4 for fabric placement and lengths, repeat the previous step to add the Border 2 strips to the quilt top. Continue to sew the borders in rounds, with the shorter sides first, then the longer top/bottom. Press towards the outer border after each round.

FINISHING

- 7** Sew together the 2½" **Fabric F** bias binding strips end-to-end. Press seams open. Press the binding strip in half wrong sides together.
- 8** Layer backing (wrong side up), batting, and quilt top (right side up). Baste the layers together and quilt as desired. Trim excess batting and backing even with the top after quilting is completed.
- 9** Leaving an 8" tail of binding, sew the binding to the top of the quilt through all layers matching all raw edges. Miter corners. Stop approximately 12" from where you started. Lay both loose ends of binding flat along quilt edge. Where the loose ends meet, fold them back on themselves and press to form a crease. Using this crease as your stitching line, sew the two open ends of the binding right sides together. Trim seam to ¼" and press open. Finish sewing binding to quilt.
- 10** Turn the binding to the back of quilt and hand-stitch in place.
