Cutting

WOF = Width of Fabric

Fabric A, cut:

(2) 11¹/₈" (28.26cm) x WOF; sub-cut
(5) 11¹/₈" (28.26cm) squares

(1) 16¹/₄" (41.26cm) x WOF; sub-cut
(2) 16¹/₄" (41.26cm) squares, then cut each square twice diagonally, from corner to opposite corner, to make (8) large side triangles

(4) 8³/₈" (21.27cm) x WOF; sub-cut
(14) 8³/₈" (21.27cm) squares, then cut each square once diagonally, from corner to opposite corner, to make (28) small triangles

Fabric B, cut:

(22) 1³/₄" (4.45cm) x WOF

Fabric C, cut:

(22) 2" (5.08cm) x WOF

Fabric D, cut:

(22) 2" (5.08cm) x WOF

Fabric E, cut:

(22) 1³/₄" (4.45cm) x WOF

Fabric F, cut:

(7) 2¹/₂" (6.35cm) x WOF for binding

Sewing

1. You may want to shorten your stitch length slightly, to around 2.0, to ensure that seams won't open up after the strip sets are cut. Join (1) each **Fabric B, C, D,** and **E** strip together along the long edges, making sure to keep the strips in the order shown (**Fig. 1**). Press the seams in one direction. Repeat to make a total of 22 strip sets.

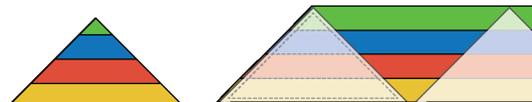

Fig. 1

Make 22 strip sets.

2. Aligning the longest edge of the Triangle template with the long raw edge of **Fabric B** in a strip set, cut a striped triangle from the strip set as shown (**Fig. 2**). Cut a total of 64 identical striped triangles.

Fig. 2

Cut 64 striped triangles.

3. Return your stitch length to normal if you shortened it in step 1. Matching long edges, sew (1) striped triangle and (1) **Fabric A** small triangle together along the long edge to make a Small Block (**Fig. 3**).

Press carefully, to avoid stretching any bias-cut edges. Make (28) Small Blocks 8" x 8" (20.32cm x 20.32cm).

4. Place (2) Small Blocks right sides together, matching seams of the striped triangles. Pin, then sew the blocks together to make a Small Block unit (**Fig. 4**). Make (12) Small Block units 8" x 16" (20.32cm x 40.64cm).

5. Join (2) Small Block units together as shown to make a Joined Small Block (**Fig. 5**). Make (4) Joined Small Blocks 16" x 16" (40.64cm x 40.64cm).

6. Join (1) striped triangle to each short edge of (1) **Fabric A** large side triangle to make a Side Triangle unit (**Fig. 6**). Make (8) Side Triangle units 8" x 16" (20.32cm x 40.64cm).

7. Join (1) striped triangle, centered, to each edge of (1) **Fabric A** square to make a Large Block (**Fig. 7**). Make (5) Large Blocks 16" x 16" (40.64cm x 40.64cm).

Top Assembly

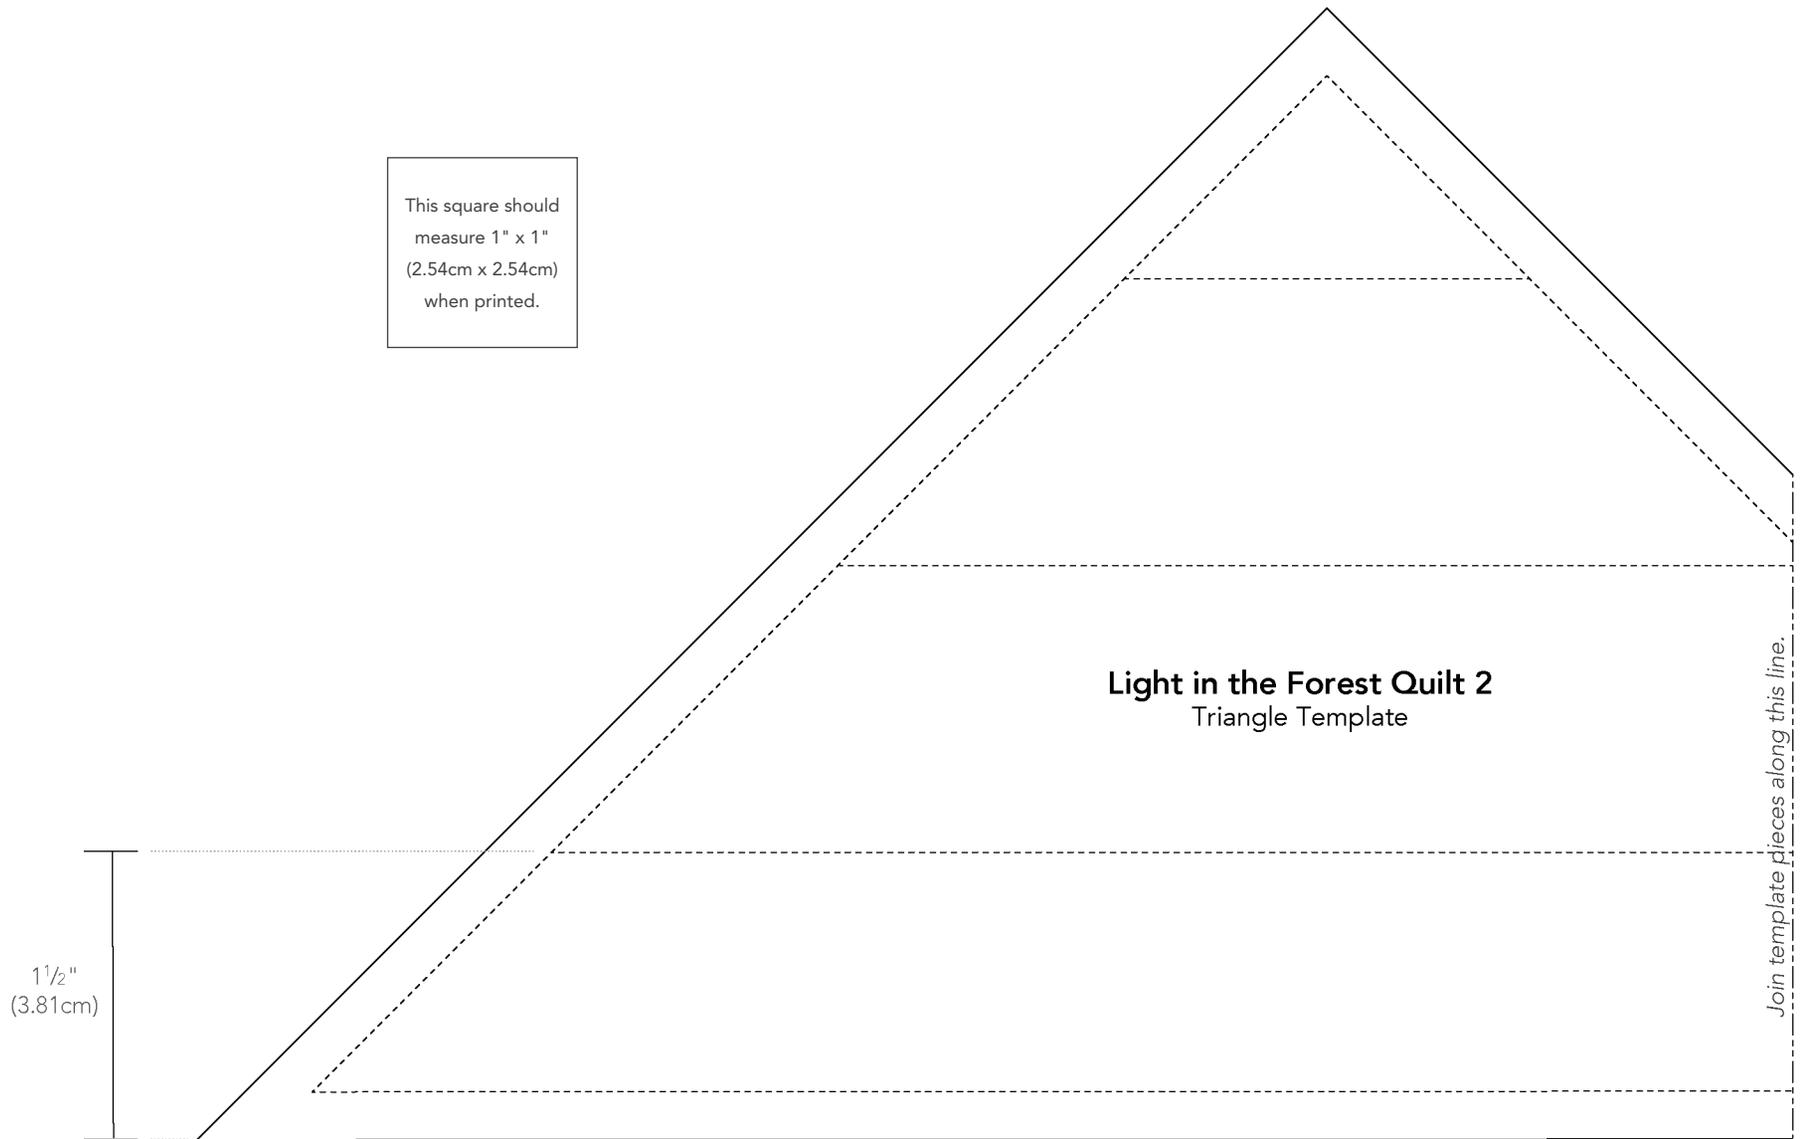

8. Referring to the **Quilt Layout Diagram** on page 5, arrange the Large Blocks, Small Block units, Joined Small Blocks, Side Triangle units, and (4) remaining Small Blocks in (5) rows of (5) elements each. Join the elements in each row together along adjacent edges. Press.
9. Matching seamlines, join the rows together along adjacent edges. Press.

Finishing

10. Sew together the (7) 2½" x WOF (6.35cm x WOF) binding strips end to end using diagonal seams. Press the seams open. Press the binding strip in half wrong sides together.
11. Layer the backing (wrong side up), batting, and quilt top (right side up). Baste the layers together and quilt as desired. Trim excess batting and backing even with the quilt top after quilting is completed.
12. Leaving an 8" (20.32cm) tail of binding, sew binding to top of quilt through all layers matching all raw edges. Miter corners. Stop approximately 12" (30.48cm) from where you started. Lay both loose ends of binding flat along quilt edge. Where these two loose ends meet, fold them back on themselves and press to form a crease. Using this crease as your stitching line, sew the two open ends of the binding together right sides together. Trim seam to ¼" (.64cm) and press open. Finish sewing binding to quilt.
13. Turn the binding to the back of the quilt and hand stitch in place.
