With his unerring eye, Kaffe has succeeded in finding the perfect location for his **exquisite new collection of quilts**, featuring both his scintillating **new fabric designs** and his **classics**, all in his **unique color palette**. This time he has chosen the medieval English village of Lavenham in Suffolk, where the 19 quilts in this book are set off against the ancient half-timbered Tudor houses. Photographed brilliantly by Debbie Patterson, they are displayed in all their glory in a **sumptuous eye-catching quilt gallery**.

Included in this set of new designs are many very special ones by Kaffe, and several by his long-time friend and co-designer, Liza Prior Lucy. Kaffe's *Starry Night*, featured on the cover, fussy cuts some of his **brilliant floral fabrics in deep rich colors** to great effect, setting them off by surrounding stars in his Shot Cottons. *Shards* translates the traditional Broken Dishes design into deliciously **soft and subtle blends of pastel fabrics**, shown off to perfection against the pale plaster and weathered timbers of the Lavenham houses. In a quite different vein, the boldly contrasting background stripes in black and white fabric in *Blooming Columns* make a dramatic contrast to the huge fussy-cut flowers appliquéd onto it.

As usual, this book—the 23rd in the series—includes a range of **quilts for all skill levels**, from beginners to advanced. Flat shots and a **practical know-how section** and glossary back up the **fully illustrated, step-by-step instructions for each quilt**.
