FABRIC REQUIREMENTS (Tech edited by: Alison M. Schmidt)

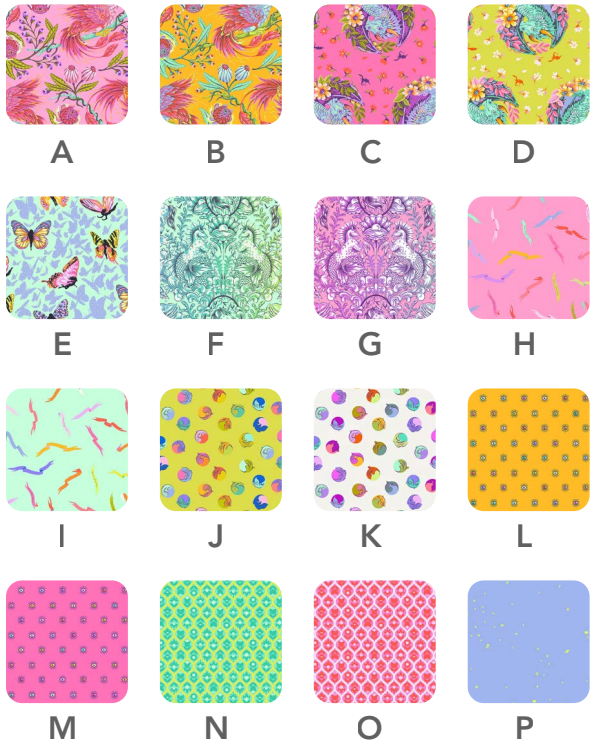

*** For best results, we recommend NOT prewashing fabrics. Laundering may alter the dimensions required to complete the project as designed.**

Note: This pattern was not intended for fussy cut or directional star centers. If you desire fussy cut and/or directional centers, be aware that the blocks are rotated, so all motifs may not end up right-reading. You will need an additional ½ yard each of Fabrics A, B, and E; an additional ⅝ yard each of Fabrics C and D; and an additional ¼ yard each of Fabrics F and G.

ADDITIONAL REQUIREMENTS

- 100% cotton thread
- 108" x 108" (2.74 m x 2.74 m) batting
- Template plastic
- Foundation paper

Optional but helpful:

- Fabric stiffening spray or spray starch
- Add-a-Quarter ruler

This pattern assumes a prior knowledge of foundation paper piecing.

PREPARATION

1. Print 1 copy each of Templates 1 and 2 (page 20) at 100% and measure to confirm accuracy of printouts. Cut each out on the outer lines.
2. Print 144 copies of Foundation 1 and 12 copies each of Foundations 2 and 3 (pages 21-23) at 100%. Trim all the foundation patterns on the outer line.
3. Trace template patterns onto template plastic or another sturdy material and cut out on the outer line to make cutting templates. Make a hole at the quarter inch seam allowance at the corners to aid in piecing accuracy. Transfer the piece names and grainline arrows. To cut reversed shapes, flip the template upside down.

QUILT TOP ASSEMBLY

Note: Follow the **Quilt Center Layout** and **Quilt Layout** diagrams (pages 18-19) while assembling the quilt. Measure the Quilt Center width and height before cutting and adding borders and adjust border measurements if necessary to match your measurements.

20 Arrange the Blocks, Side Blocks, and Corner Blocks in diagonal rows, rotating blocks to match orientation of Foundation 1 units shown. Add the Star Corner Units and Foundation 2 and 3 Units at the corners. Pay close attention to the orientation of each Block and the color of the star corners for each.

21 Sew the Star Corner Units to the full Blocks first, completing one group at a time and setting it aside, checking off the blocks as you go. Then add the Star Corner Units and Foundation 2 and 3 Units to the Side Blocks, then the Foundation 2 and 3 Units to the Corner Blocks so that all blocks are either square or setting triangle shaped. Measure the square blocks to ensure they are still 20½" square including seam allowances; if not, try adjusting seam allowance when adding Star Corner.

22 Sew the completed Blocks together into diagonal rows, matching seam intersections of the Star Corners and Foundation 2 and 3 Units, then sew the diagonal rows together to complete the Quilt Center (85⅜" x 85⅜" including seam allowances).

23 Sew the **Fabric K** 2" x WOF strips together end to end. Cut (2) side inner borders 85⅜" long and (2) top/bottom inner borders 88⅜" long (or the size needed to make the Quilt Center and Triangle Borders fit together).

24 Sew the **Fabric K** side inner borders to the left and right sides of the quilt center, then sew the **Fabric K** top/bottom inner borders to the top and bottom, pressing towards **Fabric K** each time.

25 Sew the (2) Triangle Borders to the sides of the quilt top, press, then sew the Top/Bottom Triangle Borders to the top and bottom, pressing towards **Fabric K** each time.

26 Repeat steps 23 and 24 to make and add **Fabric S** 2" x 96⅝" side outer borders and **Fabric S** 2" x 99⅝" top/bottom outer borders, pressing towards **Fabric S** each time.

FINISHING

27 Sew together the 2½" **Fabric M** binding strips end-to-end using diagonal seams. Press seams open. Press the binding strip in half wrong sides together.

28 Layer backing (wrong side up), batting, and quilt top (right side up). Baste the layers together and quilt as desired. Trim excess batting and backing even with the top after quilting is completed.

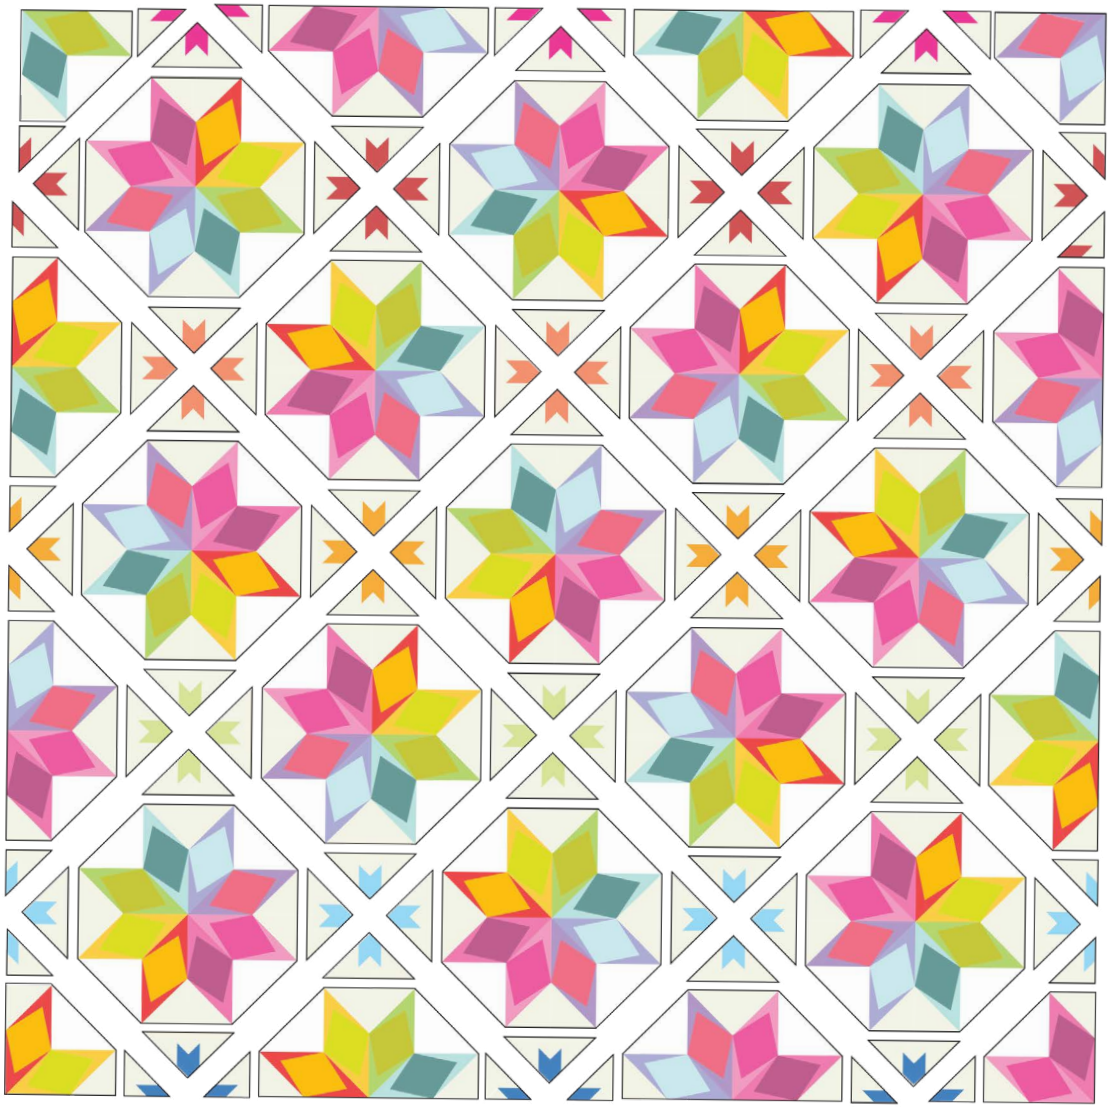

29 Leaving an 8" tail of binding, sew the binding to the front of the quilt through all layers matching all raw edges. Miter corners. Stop approximately 12" from where you started. Lay both loose ends of binding flat along quilt edge. Where the loose ends meet, fold them back on themselves and press to form a crease. Using this crease as your stitching line, sew the two open ends of the binding right sides together. Trim seam to ¼" and press open. Finish sewing binding to quilt.

30 Turn the binding to the back of quilt and hand-stitch in place.
