Kit and Caboodle

Featuring Passionflower by Anna Maria Horner

The Kit and Caboodle quilt uses every print from Anna Maria Horner’s new Passionflower collection. The large pieces of fabric let the bold designs flourish, and quilting with an equally oversized hand-stitch would really help the quilt shine!

Sewing

All seam allowances are ¼” (.64cm) and pieces are sewn sides together. Each section is created by sewing strips together in order. When sewing long strips together, it is helpful to find the middle, and even quarters, of each piece along the lengths and pin to ensure accuracy.

Section 1
1. From left to right, sew together these strips:
   - Fabric A
   - Fabric P
   - Fabric S
   - Fabric E
   - Fabric K
   - Fabric M

Press all seams in same direction.

Section 2
2. From top to bottom, sew together these strips:
   - Fabric O
   - Fabric C
   - Fabric W
   - Fabric L
   - Fabric Q
   - Fabric H

Press all seams in same direction.

Note: All possible care has been taken to assure the accuracy of this pattern. We are not responsible for printing errors or the manner in which individual work varies. Please read instructions carefully before starting the construction of this project.
3. Sub-cut Section 2 into (2) pieces as shown in Fig. 1. Discard any trimmings.

4. From top to bottom, sew together these strips:
   - Fabric V
   - Fabric B
   - Fabric F
   - Fabric G
   - Fabric X
   - Fabric T
Press all seams in same direction.

5. Sew the 8½” x 40½” (21.59cm x 102.87cm) portion of Section 2 to the bottom of Section 3, noting the orientation in Fig. 2.

6. From left to right, sew together these strips:
   - Fabric I (8½”-wide strip)
   - Fabric U
   - Fabric D
   - Fabric J
   - Fabric N
Press all seams in same direction.
7. Sew Fabric R strip to the bottom of Section 4 (Fig. 3).

8. Sew Section 1 to Section 2 along the 40½” (102.87cm) sides. (Quilt Layout diagram page 6)

9. Sew Section 3 to Section 4 along the 50½” (128.27cm) sides.

10. Sew the top and bottom halves of the quilt top together.

11. Sew together the (9) 2⅛” x WOF (6.35cm x WOF) Fabric I binding strips end to end using diagonal seams. Press the seams open. Press the binding strip in half wrong sides together.

12. Layer the backing (wrong side up), batting, and quilt top (right side up). Baste the layers together and quilt as desired. Trim excess batting and backing even with the top after quilting is completed.

13. Leaving an 8” (20.32cm) tail of binding, sew binding to top of quilt through all layers matching all raw edges. Miter corners. Stop approximately 12” (30.48cm) from where you started. Lay both loose ends of binding flat along quilt edge. Where these two loose ends meet, fold them back on themselves and press to form a crease. Using this crease as your stitching line, sew the two open ends of the binding right sides together. Trim seam to ⅛” (.64cm) and press open. Finish sewing binding to quilt.

14. Turn the binding to the back of the quilt and hand-stitch in place.

**Quilt Top Assembly**

- Sew Fabric R strip to the bottom of Section 4 (Fig. 3).
- Sew Section 1 to Section 2 along the 40½” (102.87cm) sides. (Quilt Layout diagram page 6)
- Sew Section 3 to Section 4 along the 50½” (128.27cm) sides.
- Sew the top and bottom halves of the quilt top together.

**Finishing**

- Sew together the (9) 2⅛” x WOF (6.35cm x WOF) Fabric I binding strips end to end using diagonal seams. Press the seams open. Press the binding strip in half wrong sides together.
- Layer the backing (wrong side up), batting, and quilt top (right side up). Baste the layers together and quilt as desired. Trim excess batting and backing even with the top after quilting is completed.
- Leaving an 8” (20.32cm) tail of binding, sew binding to top of quilt through all layers matching all raw edges. Miter corners. Stop approximately 12” (30.48cm) from where you started.
